

PPC-106T 10.4" TFT with low power 800Mhz CPU / LAN / Audio Panel PC

10mm thick Aluminum Alloy

Silver (Stainless Steel Color)

Rear View

I/O ports

10.4" TFT Panel PC with Eden 800Mhz CPU / Touch / LAN / 4 x COM / 2 x USB / Audio

General specifications

Display

10.4" color TFT flat panel

Display Type

TFT LCD panel

Luminance

150 cd/m2 brightness luminance

CPU

P-III equivalent Low power 800Mhz CPU
L1 & L2 cache built on CPU

System Chipset

Twister-T, VIA VT8606, 82C686B

Front Bezel

Thick 10mm Aluminum-alloy hairline anodizing treatment front bezel

Housing & Wall-mounting

Rugged 1.2mm thick steel metal with white painting

VESA-75 and VESA-100 compliant

Surface Treatment of Front Panel

Super high-end hairline anodizing treatment, color

Standard Colors

Stainless Steel silver color

Front Panel Protection

Meet NEMA 4, 12 and IP65, 56 water resistant EIA standard

System Memory (Optional)

Support up to 512MB capacity SDRAM memory

CD-ROM (Optional)

One slim size CD-ROM, 24x speed

HDD (optional)

20 - 30GB slim size HDD

Disk On Module (optional)

Support DOM up to 512MB (optional)

DiskOnChip

Support M-System's DOC up to 288MB (optional)

Serial ports

4 x COMs (3 x RS232 port, 1 x RS232/422/485 port)

USB

2 x USB ports and IrDA pin header on board

Parallel Port

LPT port for Printer connection.

Keyboard and Mouse

One PS/2 KB/Mouse port

Audio

Microphone, Speaker, Line-in

Network Interface Controller

Chipset

Realtek 8139C, support 10/100 Mbp, auto-negotiation, auto-switch LAN

VGA - Display Controller Chipset

Trident chipset support 24bit LCD TFT
LVDS, TFT, DSTN LCD/CRT with 8MB share Video memory, 3D/2D support

DVD MPEG-2

support DVD video playback

Touch Panel (Optional)

Long-life 4-wire resistive Touch screen

Environmental and Power

Power Requirements

Internal UL/CE safety approved power supply

Dimension (WxHxD)

Please call our sales

Thin model is available (without CD-R / FDD)

Operating Temperature: 0 to 55°C (32 to 131°F)

Ordering

PPC-106 : with low power 667-800Mhz CPU, HDD, SDRAM, CD-ROM, Audio

PPC-106T : same as PPC-106 but with Touch-Screen

Color :

Standard: Stainless steel Silver color

Black color : optional
